## BRIEF WEATHER DISCUSSION:

LOOKS LIKE THE MAJORITY OF THE WORK DAY WILL BE RAIN FREE TODAY. SUNSHINE WILL DOMINATE FOR THE EARLY MORNING HOURS PRIOR TO THE APPROACH OF A STRONG COLD FRONT. THE GOOD NEWS IS THAT THE INCREASED COVERAGE OF WIDESPREAD THUNDERSTORMS WILL HOLD OFF UNTIL LATE IN THE DAY BETWEEN 3 AND 6 PM. THEREAFTER, THE RAIN WILL BECOME MODERATE TO HEAVY AT TIMES WITH A RISK FOR SOME STRONG AND DAMAGING WINDS. THE REMAINDER OF THE WORK WEEK WILL BRING SUNSHINE, DRY CONDITIONS AND LOW HUMIDITY.
